TERMS OF REFERENCE

Purpose:

- To provide strategic leadership for adult safeguarding across Rotherham’s health and social care economy.
- To agree objectives, set priorities and co-ordinate the strategic development of adult safeguarding across the Borough.
- To agree how key agencies will work together effectively to safeguarding and promote the safety of adults at risk and/or in vulnerable situations.

Responsibilities:

We will:

- Take a no tolerance approach to abuse and the factors that lead to abuse
- Take action to protect vulnerable adults
- Listen and respond to customers and citizens
- Investigate thoroughly and in a timely manner any concern that is realised
- Pursue perpetrators of abuse
- Empower customers and agencies to work together
- Embed an outcomes focused approach
- Commit to learn lessons and improve services as a result
- Ensure that our approach to safeguarding is not driven by process but is driven by the outcomes that customers want to see in a personalised way.

All Board members will work together to:

- We will hold each other to account
- We will embed the RSAB vision and strategy
- We will embed safeguarding principles
- We will implement its own safeguarding policy and evaluate its effectiveness
- We will receive and contribute to the annual report
- We will be involved and contribute to the subgroups of the board
